

My name is Phil Waelbrock and I am working on my second year with the uniform distribution program. In order to help offset the costs of playing competitive soccer and provide teams options for gear for guest players, I had the idea that our players might be willing to donate their **used/outgrown uniforms or training gear**. This could include, training kits, uniform kits, and even warm-ups, goalie equipment, and soccer shoes. We have players who are leaving IR and we have players who have grown out of their kits. We also have teams that will be graduating out of their last year's club uniforms into the custom uniforms (2007 players). There are lots of items out there that could potentially be the difference between a player playing or not!

Rather than sending these items to a goodwill-type place, please donate them back to IR Academy! Your players' generosity will really help another child in IR!

We are continuing his program again this season! We were able to help a number of families last year. Please contact me and let me know if you would be willing to donate!

I have already had a number of requests for this equipment but I need donations to make this work!

Sincerely,

--
