

New uniform ordering process for the 2018/2019 soccer season!

If you're ordering a new kit or just pieces to supplement an existing kit, all orders will be placed and paid for by you online via Admiral's/IR Academy store at www.iracademysoccer.com/clubwear. A major credit card will be needed or you can piggyback on a friends order and just pay them directly. Generic items such as socks, training shorts, black or white game shorts can still be ordered through Adam Gerber at agerber@iracademysoccer.com.

Once team rosters are set we will notify all team managers when the online ordering window has opened. At this point you will have a strict deadline, virtual countdown clock, to submit your order. If ordering during the bulk club order **YOU WILL NOT** have to create an Admiral/IR Academy store account. Visit the club wear link www.iracademysoccer.com/clubwear and do the following:

1. Select either the full kit option or just the individual item(s) that you need
2. Within the 1st drop down box find your child's team/coach
3. Then select child's name within the 2nd drop down box. Their jersey number will automatically pop up.
4. Select specific sizes needed for the items
5. Add to gear bag for purchase, select shipping options then input credit card info to complete purchase

Once the club deadline has passed all orders will be processed, packaged by player per team and shipped out to Adam. Team managers will distribute once orders arrive. If you miss the club deadline or need anything with player number or branding throughout the season you can order items at any time by creating an Admiral/IR Academy store account. Your order will be shipped directly to you.
